

Harbor Committee Minutes
For
September 8, 2020
Meeting held in Northeast Harbor Meeting Room

Attending; Lemoine, Black, Moore, Savage, Litchfield, Fernald, Johnston, Bright, Haynes

- A. Meeting called to order at 1632
- B. Minutes from last meeting approved
- C. New Business
 - 1. The harbormaster reported that the season went well considering all factors. The Marina Slip rentals seem to be on par and the mooring rentals picked up after a slow start. The island Explorer not running made more parking available for the use of the marina.
- D. General Issues.
 - 1. Concern was expressed about lack of food trucks, questioning whether they lived up to their lease agreement.
- E. Old Business
 - 1. The mooring field at Bartlett's has been re-aligned, with more to be set this fall.
 - 2. The Harbormaster is working with a local engineer regarding main pier inspection.
 - 3. The security camera plan for Bartlett's landing has been approved, hoping for installation this fall.
 - 4. Chairman Savage expressed concerns about the harbor committee not being involved in the bait house project. Motion by Fernald to send Durlin a letter regarding the bait house. Seconded by Savage, motion carried.
- F. Discussions
 - 1. Tim Walton asked and offered to repair sheathing at the seal harbor pier. Harbormaster responded that he would have it taking care of immediately.
 - 2. Bright suggested that the lobster buyers use the north side of pier
- G. Motion by Moore to adjourn, seconded by Fernald. Motion carried at 1700.
