

### Town of Mount Desert Board of Selectmen Agenda

### Regular Meeting Monday, October 15, 2018 Location: Meeting Room, Town Hall, Northeast Harbor

### I. Call to order at 6:30 p.m.

### II. Minutes

A. Approval of minutes from October 1, 2018 meeting

### III. Appointments/Recognitions/Resignations

A. Appointment of Ellen Kappes to the Village Center Planning Committee

- IV. Consent Agenda (These items are considered routine, and therefore, may be passed by the Selectmen in one blanket motion. Board members may remove any item for discussion by requesting such action prior to consideration of that portion of the agenda.)
  - A. Department Reports: Public Works
  - B. Proposed 2019 State Valuations for Hancock County
  - C. Hancock County Commissioners Meeting Minutes September 4, September 12, and September 13, 2018

### V. Selectmen's Reports

### VI. Unfinished Business

A. Action regarding the reconsideration of the Northeast Harbor Main Street Project

### VII. New Business

- A. Award Sand Bid Contract to Harold MacQuinn, Inc. at a price of \$9.00/cubic yard, \$22,500 for the 2,500 cubic yards the bids were based on
- B. Request authorization to approve the Harbor Committee's recommendation to use Chalmers Enterprises for the mooring work for the realignment at Bartlett Landing
- C. Request approval of the Harbor Committee recommendations for adjusting the rate for vessels <49' to \$2.95/ft, the rate for vessels 50'<60' to \$3.45/ft and the rate for vessels 60' and over to \$3.95; and the seasonal outboard float rate to \$1,000.00
- D. Request approval and authorization to sell four (4) Motorola Minitor V two-tone voice pager with chargers to Eastbrook Fire Department in the amount of \$150.00 each
- E. Authorization of Carry-Overs from Fiscal Year 2017-2018 to Fiscal Year 2018-2019 (Information will be forwarded separately as an addendum to the regular meeting packet)

### VIII. Other Business

A. Such other business as may be legally conducted

### IX. Treasurer's Warrants

- A. Approve & Sign Treasurer's Warrant AP1921 in the amount of \$1,448,806.04
- B. Approve Signed Treasurer's Payroll, State Fees, & PR Benefit Warrants AP1919, AP1920, and PR1907 in the amounts of \$4,207.75,\$4,575.38, and \$102,236.24, respectively
- C. Acknowledge Treasurer's School Board AP/Payroll Warrants 08 in the amounts of \$78,261.72

### X. Adjournment

The next regularly scheduled meeting is at 6:30 p.m., Monday, November 5, 2018 in the Meeting Room, Town Hall, Northeast Harbor

A. Update regarding the reconsideration of the Northeast Harbor Main Street Project Public Works Director Tony Smith reported there was a meeting regarding the Main Street Project on Thursday, September 27, 2018. There were approximately 15 to 20 people in attendance. Director Smith was hopeful the group was moving toward a compromise in the work the project encompasses. Excerpts from Director Smith's report describe the options as:

- Tracy Road Option (cost savings of \$800,000) This option would necessitate cable, telephone and power lines to be buried in Main Street. The power line would be a primary line but at lower voltage than that which would have been installed under the original design. The cable and telephone must be put in Main Street due to the location of their service areas.
- East Side of Main Street Option (cost savings of \$1,000,000) Leave the overhead
   primary wires along the east side of main Street; continue to service the buildings
   along the east side with overhead services and service the buildings on the west side
   with underground services.
- 17 North End of Main Street Option (cost savings of \$900,000) - As you enter Main Street from the north on Route 198, the overhead power lines cross Route 18 19 198/Main Street from the west to the east side then continue down Main Street along the east side. They leave the west side at a pole in the general area of the 20 21 town parking lot near the Knowles Company and go to a pole on the east side near FT Brown. They would then proceed southerly to a pole near the post office then to 22 an existing pole on the corner of Sea Street and Main Street near Carter's Real 23 Estate. The thought was to not cross Main Street from the pole at the parking lot 24 25 but to keep these wires on the west side of the street and go overhead across 26 Summit Road to a new pole then cross Main Street to the existing pole near Carter's Real Estate. Buildings on the east side of Main Street presently served by the wires 27 28 affected by this change would be serviced by underground services from the relocated wires. It was then proposed to go underground with the wires from the 29 30 pole near Carter's Real Estate to the pole near Shaw's Jewelers, eliminating the pole 31 between the two in front of Main Street Variety. The wires would then continue overhead south along the east side of Main Street servicing the buildings with 32 33 overhead services to the east and underground to the west, both in the manner as in Option 3 above. This center pole in front of the gas station poses traffic and 34 35 parking problems.
  - Public Works Director Smith opined that the East side option was the least intrusive to the Main St. businesses.
- Selectman Dudman asked about the disruption to the business owners. Director Smith felt the
   options discussed would all be less invasive than the original plan. For example, a trench
   running the length of the street would no longer be necessary.
- Director Smith noted he was scheduled to meet with the Water District to assess their need of a
  new water main. The cost of the water main was not taken into account in the cost savings.
  The work was under the Water District's purview and would be paid for by them.
- 47

43

36 37

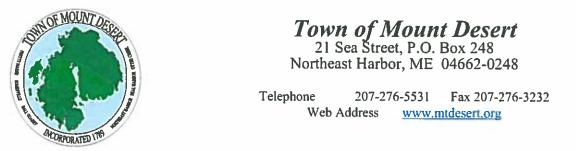

38 39

1 November or December 2018 was now the estimated scheduled start date. Director Smith 2 reiterated that regardless of the start date, no work would extend beyond May 24, 2019. The 3 street would have at least a base coat of pavement or cold patch for the summer, and signs of 4 construction would be removed for the summer. Work would resume Fall 2019 and extend into 5 Spring 2020. 6 7 No new boxes or volts should be necessary. If the Tracy Road project is the project chosen to 8 use, there would be primary power line extending into Main St. Regardless of the option 9 chosen, there will still be telephone and cable lines needed, either overhead or underground. 10 Resident Ben Moores inquired whether the work would be re-bid. Director Smith did not feel 11 the work would require rebidding. Essentially the only change is to how the electric is wired. It 12 13 does not cause a substantial enough change to require a full re-bid. 14 15 Director Smith reiterated there would be stubs installed for the empty lots, as originally 16 planned. These stubs would be behind the sidewalks and would not necessitate opening the 17 sidewalks or roads for connection. 18 19 Resident Katrina Carter asked about the corner of the Hamor Lot. She reported the rumor that 20 the Maine Seacoast Mission would be removing the pole there. Director Smith assured her that 21 if property owners or residents removed a pole, they would have to either replace the pole, or 22 relocate the wires underground. 23 24 Discussion returned to the schedule. Director Smith explained that winter weather could result 25 in a request for an extension, however the work would remain essentially the same. He 26 reiterated that in May the area will be passable to traffic. 27 28 Lamp posts were discussed. Director Smith reported discussion of posts over the crosswalks and 29 intersections. 30 31 Mr. Moore asked when the final decision would be made. Director Smith hoped that by the 32 next Board of Selectman Meeting a decision can be made and the process can start. 33 34 Director Smith reported that Emera has still not offered on official position or approval. 35 36 Selectman Hart lauded Public Works Director Smith's gargantuan efforts during this contentious 37 process. The Board echoed Selectman Hart's sentiment. 38 39 B. Execution of the bond document for the \$154,500.00 General Obligation Bond issued by First 40 National Bank effective October 1, 2018 for the purchase of the new street sweeper 41 approved at the September 10, 2018 special town meeting 42 43 MOTION: Selectman Mooers moved, with Selectman Hart seconding, execution of the bond 44 document for the \$154,500.00 General Obligation Bond issued by First National Bank effective October 1, 2018 for the purchase of the new street sweeper approved at the September 10, 45 46 2018 special town meeting, as presented. Motion approved 5-0. 47 48

1	VI.	New Business
2		A. Public Space Special Event Application: Northeast Harbor Fest/Marc Fink; Northeast Harbor
3		Marina Green, August 31- September 2, 2019
4		Town Manager Lunt noted this event has been held two years previously, but was not held this
5		year. Mr. Fink would like to come back for next year.
6		
7		MOTION: Selectman Dudman moved, with Selectman Littlefield seconding, approval of Public
8		Space Special Event Application: Northeast Harbor Fest/Marc Fink; Northeast Harbor Marina
9		Green, August 31- September 2, 2019, as presented. Motion approved 5-0.
10		R - Result to approve and evened \$15,000,00 from the Associate Department account
11		B. Request to approve and expend \$15,000.00 from the Assessing Department account #1220660-53620 for the upgrade to the Vision assessing software package and related
12 13		services as approved in Article 44 at the May 8, 2018 Town Meeting, and authorization to
13 14		sign the contract for the upgrade with Vision Government Solutions Inc.
15		sign the contract for the upgrade with vision obveriment bolations hit.
16		MOTION: Selectman Mooers moved, with Selectman Littlefield seconding, approval and
17		expenditure of \$15,000.00 from the Assessing Department account #1220660-53620 for the
18		upgrade to the Vision assessing software package and related services as approved in Article 44
19		at the May 8, 2018 Town Meeting, and authorize signature of the contract for the upgrade with
20		Vision Government Solutions Inc., as presented. Motion approved 5-0.
21		
22		C. Request approval to purchase two 6" Simplex pumps at a reduced rate of \$32,770.00 from
23		the Wastewater Capital Improvement Reserve Account# 4050500-24501 for the Seal Harbor
24		treatment plant
25 26		MOTION: Selectman Littlefield moved, with Selectman Hart seconding, approval to purchase
20		two 6" Simplex pumps at a reduced rate of \$32,770.00 from the Wastewater Capital
28		Improvement Reserve Account# 4050500-24501 for the Seal Harbor treatment plant, as
29		proposed. Motion approved 5-0.
30		
31	VII.	Other Business
32		A. Such other business as may be legally conducted
33		Town Manager Lunt reminded the Board of the Island Elected Officials Meeting October 18, 2018
34		at the Somesville Fire Station. A review of which Board Members could attend was made.
35		
36		Selectman Hart reminded the Board that the Board agreed to accommodate the marathon this
37		year by closing part of Route 102 in Somesville. Selectman Hart hoped the Town would make
38		every effort to get the word out to the public to warn them of this closure.
39		
40 41	VIII.	<b>Treasurer's Warrants</b> A. Approve & Sign Treasurer's Warrant AP1918 in the amount of \$673,070.96
41		A. Approve & Sign Treasurer's Warrant Ar1918 in the amount of \$075,070.90
43		MOTION: Selectman Mooers moved, with Selectman Hart seconding, approval and signature of
43		Treasurer's Warrant AP1918 in the amount of \$673,070.96, as presented. Motion approved 5-0.
45		
46		B. Approve Signed Treasurer's Payroll, State Fees, & PR Benefit Warrants AP1916, AP1917, and
47		PR1906 in the amounts of \$3,705.25, \$6,272.75, and \$109,711.19, respectively

# APPOINTMENTS RECOGNITIONS RESIGNATIONS

### **Resident Request for Appointment to Volunteer Board or Committee**

Thank you for expressing an interest in serving on one of the Town's volunteer Boards or Committees. Before the Board of Selectmen makes appointments, they would like to know a little about you and why you feel you could contribute to the Board or Committee. Please take a few minutes and complete the brief expression of interest information below and *return to the Town Clerk, PO Box 248/21 Sea St, Northeast Harbor ME 04662.* 

Name:	Ellen Kappes		Date:	Oct 11, 2018
Street				
Address:			Phone: ]	Home
Mail				
Address:				Work
E-mail:	akappes44@c	mail.com		Cell
Are you a regist	ered voter in the	Town of Mount Desert?	Yes	No
Appointment(s	) requested:	Village Center Planning C	ommittee	

If you have previously served on any Boards or Committees in the Town of Mount Desert, please describe your experience: <u>many. previously served on: MD recycling committee which became solid waste</u> committee. I was chairman of this for a few years about 1995 or so until 1999. Many local boards. Some of them were. <u>Mt d nursery school</u> - board member when it was founded (1978) and for several years after that. <u>Neighborhood house board member for about 14 years – was secretary and treasurer for some of it. worked on fundraising</u> <u>Mt desert nursing association – board member – worked on fundraising</u>. Was on St Mary's vestry for several years. <u>Maine crafts guild board member for many years</u>

Are there other background experiences or skills that you feel would contribute to this appointment? served as Secretary for Board of Selectmen and Planning Board; reporter for Bar Harbor Times covering town of Mt. desert meetings and events; Librarian at Northeast Harbor Library for more than 4 years. Ran my silkscreening business for nearly 30 years. Artist.

Why are you interested in this appointment? <u>I am concerned about the development and future</u> of Main Street, Northeast Harbor. I think I can offer valid suggestions

What are your goals for this Board or Committee? <u>to successfully settle on a design that</u> will please and be acceptable to as many people as possible.

Do you have conflicts with meeting times or group assignments? \_\_\_\_\_ None that I can't adjust

# **CONSENT AGENDA**

### Town of Mount Desert

### MEMO

To: Durlin Lunt, Jr., Town Manager

From: Tony Smith, Public Works Director

Re: September 2018 Monthly Report

Date: October 5, 2018

### Highway Crew:

- In preparation for this season's paving the crew ditched, cleaned up roadway shoulders and replaced driveway and roadway culverts on the Butler Road and Rowland Road; cleaned up road shoulders on the Parker Farm Road; and finished ditching and ledge and stump removal on the Hall Quarry Road.
- Got a really good start on reclaiming (grinding and leaving in place) the Hall Quarry Road in preparation for the base pavement layer to be placed. The base pavement was approximately 65% complete by the end of September. The surface pavement will be placed next fall.
- Reshaped ditches and replaced a driveway culvert on Grover Avenue.
- Changed the street signs on Farnham Way and Sydney's Way from private (blue) to public (green) in accordance with the May 2018 town meeting when the voters accepted the roads as public ways.
- Addressed issues arising from the heavy rain we had in the middle of the month e.g. repairing washed out areas along the sides of some of our roads.
- As requested by people who use them, erected wooden backboards on the fence enclosure around the tennis courts for practice and warm-up purposes.
- Took delivery of the new street sweeper. A representative of the manufacturer held a training session on the operation and maintenance of the machine.
- Organized the storage area located behind the highway garage. We stockpile stone and gravel, sewer and storm drain pipe, catch basin and manhole sections and frames and covers, and miscellaneous other materials there.
- Finished work related to wooden fence replacement on Jordan Pond Road.
- Researched a new merry-go-round similar to the one at the Seal Harbor playground that has finally run its course the circular section people stand on broke off of the central rotating unit and cannot be repaired.

Wastewater: Please see Superintendent Montague's reports.

Buildings & Grounds and Parks & Cemeteries: The crew:

• Did a really nice job cleaning and waxing some of the floors at the highway garage, continued taking care of the portable toilets on a daily basis and policing the rest rooms at the Seal Harbor

September 2018 Monthly Reports/TS/10-5-18

### Town of Mount Desert

21 Sea Street, P.O. Box 248 Northeast Harbor, ME 04662-0248 Telephone 207-276-5743 Fax 207-276-5742 <u>www.mtdesert.org</u> <u>director@mtdesert.org</u> Otter Creek, Seal Harbor, Northeast Harbor, Somesville, Hall Quarry and Pretty Marsh

and Somesville fire stations, setting up for meetings, cleaning bathrooms in the town office, vacuuming and assisting the admin staff with projects as needed e.g. assembling shelving, hanging pictures, repairing toilets, installing door closers, and painting.

### Solid Waste: The crews:

- Continued their good work we have come to appreciate.
- The summer collection season ended September 8<sup>th</sup> this year. The transition went smoothly.

### Miscellaneous

- LED streetlight installation is still scheduled for October 2018. The light fixtures and assorted parts and pieces have been ordered.
- The Sylvan storm drain project came to a close. We are addressing punch list and postconstruction issues e.g. reshaping the roadway around a catch basin so it will actually collect water, making some adjustments to grades to allow water to flow off a property and make its way to the road and on to a catch basin. These issues are minimal but tend to arise with projects of this nature.
- There was a No. 2 fuel oil spill at a property near the Northeast Harbor treatment plant. According to the DEP response team, the homes oil tank leaked approximately 20-40 gallons of oil onto the floor that then made its way into the floor drain and out into a drainage swale southwest of the plant. The swale meandered its way through the woods, including across a portion of our property, to a catch basin in Manchester Road. DEP's response was professional and effective - petroleum product absorbent pads and a vacuum truck removed the oil. The DEP hired our fire department to flush the oil through the drainage swale to the catch basin in Manchester Road where the vacuum truck pulled the oil off the top of the water for proper treatment and disposal in Portland. What could not be collected will vent off into the air. Our insurance company was notified.
- After many attempts through the summer months we finally heard from one of two local irrigation companies we have been trying to reach and requested pricing from them for the Village Green and Yachtsman Facility irrigation systems.
- The bicycle group is going to be ramping up their fund raising efforts in accordance with town meeting approval of the article that called for them to make good faith efforts to raise a portion of the project costs.
- We will be working with an area earthwork contractor to reset stones in a rock wall near the Seal Harbor fleet on Steamboat Wharf Road. The wall supports a portion of our road. The weight of, and push forces from, traffic and parking on the side of the road beside the wall has contributed to the stones moving as, I am sure, the freeze-thaw cycles we receive. The stones will be removed then reset in a slope at a slight angle from bottom to top. Crushed stone will be placed behind it to drain water away from the wall to a drainage pipe at its base. We did

**Town of Mount Desert** 21 Sea Street, P.O. Box 248 Northeast Harbor, ME 04662-0248 Telephone 207-276-5743 Fax 207-276-5742 <u>www.mtdesert.org</u> <u>director@mtdesert.org</u> Otter Creek, Seal Harbor, Northeast Harbor, Somesville, Hall Quarry and Pretty Marsh

another section of wall on Steamboat Wharf Road and a third on Ox Hill over the last few years. Those walls are still in great shape.

- We intend to begin resetting the coping stones located along Sargeant Drive this month. The soil around and under the stones has been eroded over the years removing the stones supporting base. This project will take some time, maybe with services of a hired excavator and operator with assistance from our crew.
- There is presently a public sewer pipe that flows from a manhole in Sinclair Road through a wooded and wet area to a manhole in the woods then to another manhole in a private driveway and ultimately to Manchester Road and on to the treatment plant. This pipe needs to be replaced it is cracked in many places and the joints between the 3-foot long sections of clay pipe are in bad shape. These cracks and joints allow groundwater into the system that ends up in the plant increasing our treatment costs. This portion of the sewer system is approximately 800-feet long and includes two manholes. Based on pipe video work, dye testing and discussions with local people, it appears we can likely eliminate the first 550-feet of pipe between Sinclair Road and the private driveway. We can replace the last 250-feet of pipe down the private driveway from a new manhole where an existing one now is. The flow from Sinclair Road would be rerouted to Manchester Road through a new sewer line approximately 430-feet in length. The advantage to replacing We still have work to do to confirm everything but these changes to the pipe route should save us substantial costs as compared to replacing the pipe where it is presently located.
- Cc. Claire Woolfolk, Town Clerk Ben Jacobs, Hwy Supt Ed Montague, WW Supt.

### TOWN OF MOUNT DESERT

Assessing Office PO BOX 248 21 SEA STREET NORTHEAST HARBOR, MAINE 04662 207-276-5531 FAX 207-276-3232 www.mtdesert.org

DATE: October, 2018 TO: Town Manager & Board of Selectmen FROM: Kyle Avila, Assessor RE: State Valuation Report

### STATE ASSESSMENT RATIO STUDY & PRELIMINARY STATE VALUATION:

Received annual sales ratio analysis and corresponding 2019 State Valuation reports from Maine Revenue Services (enclosed). Analysis of sales that occurred during second half of 2016 and first half of 2017 suggests that assessed values are 96% of sale price, on average during that time period. This is down slightly from last year's assessment ratio analysis of 97%. The statistical variation of individual ratios among the sales used in the study, known as the "Quality Rating", is at 14 which is down from last year's Quality Rating of 15 (the lower QR, means more accurate assessments). State statute requires that the Quality Rating be below 20. The State's analysis concludes that Mount Desert's assessments are in compliance with all State statutory requirements.

Also received the proposed 2019 State Valuation (total assessed value, equalized to 100% based on the assessed ratios), which is proposed to be \$2,105,400,000. This value is down (1.05%) from last year's State Valuation of \$2,127,650,000. The proposed 2019 State valuation will be used in the calculation of Mount Desert's portion of County appropriations, school subsidies, and State Revenue sharing to be distributed in 2019.

Respectfully submitted,

Thyle trita

Kyle Avila – CMA

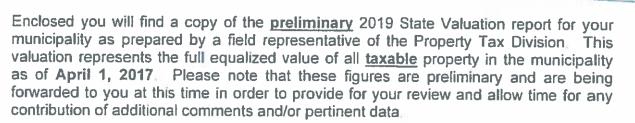

STATE OF MAINE MAINE REVENUE SERVICES PO BOX 9106 AUGUSTA, MAINF 04332-9106

October 1, 2018

Municipal Assessors and Chairman of the Board of Selectmen:

RE: Preliminary 2019 State Valuation

Dear Municipal Official(s):

The State Valuation is compiled by determining, through field work and meetings with local officials, the approximate ratio of full value on which local assessments are made, and by then adjusting the local assessed values in accordance with the Rules of Procedure Used to Develop State Valuation (08-125 Chapter 201). State Valuation is a mass appraisal estimate of the 100% market value of all taxable property of a municipality and is established annually by the State Tax Assessor. The enclosed report is comprised of four (4) parts: the Sales Ratio Analysis; State Valuation Analysis (PTF303.4); Report of Assessment Review, a three (3) year comparison (PTF303); and Report of Assessment Review, informational review (PTF303.2).

If after reviewing this report you find any errors or inconsistencies, need clarification or simply wish to discuss the report, please call the Property Tax Division at 624-5600 or fax your concerns to us at 287-6396. Alternatively, you may contact your area field representative from Maine Revenue Service, Property Tax Division directly for the purpose of discussing any additional information pertinent to the preliminary state valuation.

The Proposed 2019 State Valuation Notice will be sent by certified mail on or before October 1, 2018.

Sincerely,

St. 7. Ally

Steven J. Salley, Property Appraiser Supervisor

PAUL R LEPAGE GOVERNOR STATE OF MAINE MAINE REVENUE SERVICES PROPERTY TAX DIVISION PO BOX 9106 AUGUSTA, MAINE 04332-9106

September 2018

TO: Municipal Assessors and Chairman of Board of Selectmen

**RE: Proposed 2019 State Valuation** 

Pursuant to 36 M.R.S. § 208, the Bureau of Revenue Services is required to send you an annual notice of proposed state valuation for municipalities located in your county. Enclosed with this notice are the 2019 proposed state valuations representing the value of all taxable property in each municipality as of April 1, 2017.

The valuations certified to the Secretary of State pursuant to 36 M.R.S. § 305 will be used for all computations required by law to be based on the state valuation.

In accordance with 36 M.R.S. § 272, any municipality aggrieved by the Bureau of Revenue Services' determination of state valuation may appeal to the State Board of Property Tax Review within 45 days of receipt of this notification. The mailing address of the State Board of Property Tax Review is: State Board of Property Tax Review, 49 State House Station Augusta, ME 04333.

Any questions concerning the proposed 2019 state valuation maybe directed to the Property Tax Division at 624-5600.

Kind Regards,

It To Jees

Steven J. Salley, Supervisor, Municipal Services Property Tax Division

### **COMMISSIONERS REGULAR MEETING**

### Learn more about HANCOCK COUNTY by visiting www.co.hancock.me.us Audio recordings of the meeting are available upon request

The regular meeting of the Hancock County Commissioners was brought to order by Commissioner Blasi at 8:30 am on **Tuesday**, **September 4**, **2018** in the conference room of the county courthouse located in Ellsworth, ME with Commissioners Brown and Clark in attendance.

<u>Bid opening- siding building materials for Airport Terminal Building:</u> Two bids were submitted for this project; the results are as follows:

- 1) Viking Lumber, Hancock base bid- \$3,596.23
- 2) Hammond Lumber Base bid- \$3,558.00

### MOTION: accept bid from Hammond Lumber for \$3,558.00 (Clark/Brown 3-0, motion passed)

<u>Bid opening- Access Control System</u>: One bid was submitted for this project; the results are as follows:

Cincinnati time of Maine- prox card system \$14,137.68

Commissioner Brown questioned why we are taking on this project if the state is not paying for any of it. Maintenance Director Walls said this would enhance our own security and fewer keys would be issued. Commissioner Brown expressed concern that this will make it more difficult for the public and our own personnel to pass in and out of this building; for that reason he is opposed to doing this. Commissioner Clark said he agreed somewhat with Commissioner Brown but his hesitancy was with the court monitoring system and he wanted to know more about that. He suggested putting this off until the next meeting and Director Walls should come back with the best argument for accepting this. He would like to understand better how the court component interacts with our own personnel. Commissioner Brown said he hasn't accepted the argument that the cards will make the courthouse more secure than the keys we have currently. Commissioner Clark expressed concern about who was controlling access to the building.

## MOTION: consider this at our next meeting, at which time Facilities Director Walls will come back with a full presentation on why we should accept this (Clark/Brown 2-1, Blasi opposed)

Commissioner Blasi said he was in favor of access and screening.

Adjustments to / approval of agenda: MOTION: Move item 12 a and b before item 11 (Clark/Brown 3-0, motion passed)

### MOTION: move probate to right after approval of the minutes before Airport (Clark/Brown 3-0, motion passed)

Public Comment: none

### Approval of minutes:

### MOTION: to approve the minutes of the August 7, 2018 Commissioners' Regular Meeting (Brown/Blasi 3-0, motion passed)

### MOTION: to approve the minutes of the August 21, 2018 Commissioners' Special Meeting (Blasi/Clark 3-0, motion passed)

### Airport:

Airport Manager Madeira gave his monthly report. The DOT conducted the traffic study but Manager Madeira has not seen a report yet. The project to replace lighting is set to begin on September 10. The Airport Advisory Committee met and reviewed projects in Airport Master Plan; 4 projects were identified as those to make requests to the FAA for supplemental funding. Manager Madeira said he will submit requests for all of them, but he is not optimistic all will be chosen. Madeira reported that on August 22 TSA established another option for screening employees, making it unnecessary to enter into the MOU with Bangor Airport.

## MOTION: approval for the airport manager to go out to bid for a new ¾ ton pickup with V-plow and utility body to replace 2011 Chevy Silverado 2500HD with plow (Clark/Blasi 3-0, motion passed)

Commissioner Clark expressed concern about allowing this when the vehicle currently owned has only 57,000 miles. Commissioner Brown said he would recommend something that was heavy duty in the vehicle front, especially with a v-plow. He said he did not have a problem with this. Manager Madeira said the airport vehicles are always going to be low miles, due to the nature of their use.

### Probate:

Register Coughlin reported that she asked Treasurer Eldridge to move \$4,944.72 from the Probate Equipment account, but to leave \$1,500.00 in the Probate Copier account, to purchase a copier. Commissioner Brown asked Register Coughlin why she did not take the copier purchase out of account G1-3014-40.

### MOTION: Move \$4,944.72 from G1-3014-40 to G1-3014-42 (Clark/ Blasi 2-1, Brown opposed)

### <u>Jail:</u>

MOTION: approval to promote part time corrections officer Kaeley Spinney to temporary full time effective September 8, 2018 at the pay rate of \$14.00 per hour with accrual of sick time and holiday comp benefit only (Brown/Clark 3-0, motion passed)

MOTION: approval to hire Ashley Rickel of Franklin as part time corrections officer effective September 8, 2018, on call as needed at \$14.00 per hour with no benefits and not to exceed 29 hours per week (Brown/Blasi 2-0-1 Clark abstains) Commissioner Clark said he abstained because this applicant is a close relative. Sheriff:

MOTION: approve the resignation of full time patrol deputy Michael Southard, effective September 8, 2018 (Brown/Blasi 3-0, motion passed)

### MOTION: approve the resignation of full time patrol deputy Shane Campbell, effective October 5, 2018 (Brown/Blasi 2-0-1 Clark abstains)

Commissioner Clark said he abstained because the employee is a close relative.

<u>RCC:</u>

RCC Director Robert Conary gave his monthly report. He submitted a rough draft of costs for adding one station and necessary equipment. A basic workstation comparable to what we have now is \$13,000-\$15,000. Director Conary said we need to upgrade the radio console operating system, as the current system is not compatible with new equipment.

### MOTION: Recognize Brown's Communications as sole source for the \$12,000 upgrade to RCC radio system (Clark/Blasi 3-0, motion passed)

We have a maintenance contract with Brown's Communications for the system.

### MOTION: RCC Director be authorized to have Brown's Communications complete upgrade to radio system for \$12,309 (Clark/Brown 3-0, motion passed)

Director Conary explained the issue with the lack of ambulance services in Hancock County. An EMS meeting was held to facilitate talks for a potential mutual aid agreement. Director Conary reported that the towns of Bar Harbor and Mount Desert inquired about allowed use of Hancock County's EMS frequency as an emergency backup for fire and EMS paging; an MOU may follow.

### <u>UT:</u>

Review of snow plow bids: Two bids were submitted; the results are as follows:

- 1) Michael Barry of Barry's Trucking- Route #179 (Ellsworth city line to Waltham town line) \$17,960 (or \$17,950- it was impossible to determine the written figure)
- 2) RF Jordan Route #179 (Ellsworth city line to Waltham town line) \$38,200 (\$19,100 per year)

No bids were submitted for Route 193. The commissioners authorized Supervisor Billings to contact the contractor who has held the Route 193 contract for the last 12 years to determine if he is willing to continue to perform the work for the same price as last year.

### MOTION: Contract with Barry's Trucking for snow removal for route 179 in the amount of \$17,950 per year, a two year contract (Clark/Brown 3-0, motion passed)

Unorganized Territory Supervisor Millard Billings gave his monthly report.

County ambulance closure- Billings has contacted Capital Ambulance; they have agreed to cover this. The northern part of Hancock County has not had an agreement with an ambulance service, other than LifeFlight.

There was some discussion of the process with LongRoad to negotiate a community benefit agreement. The transmission lines are coming into township 16, but the turbines are not in Hancock County. Supervisor Billings will draft a letter requesting Hancock County consideration for a community benefit agreement with Weaver Wind. The letter will also state that Hancock County would like to be named on the application.

## MOTION: authorize UT Director to consult with the prior contractor to determine if he is willing to negotiate a contract for snow removal at last year's price (Clark/ Blasi 2-0-1 Brown abstains)

Commissioner Brown said this was already approved and did not require a motion.

Supervisor Billings presented the July 1, 2019- June 30, 2020 budget to the commission. Commissioner Brown asked why there was no COLA for the UT supervisor's wage; he thought the position was entitled to the COLA. The COLA would have no effect on the budget as presented. Commissioner Blasi asked if the GIS could be included in the UT budget. Some of it is funded through TIF and some through community benefits. Anything that was not UT portion was paid for through CB funds. Supervisor Billings said he would add the UT portion into UT budget, rather than use TIF funds.

Break 10:21 a.m. - 10:31 a.m.

### District Attorney:

MOTION: Accept the resignation of administrative assistant Terry Campbell, effective October 5, 2018 (Brown/Blasi 2-0-1, Clark abstains, motion passed) Commissioner Clark said he abstained because the employee is a close relative.

DA Foster expressed concern about staffing in his office, and suggested hiring a temp. Commissioner Clark said he would like to discuss the rate at which the administrative assistant is compensated; he indicated that the grade should decrease. DA Foster said an extreme amount of technical information is required for this position, and it would be difficult to fill this position at the current pay rate. Commissioner Brown said he understood Commissioner Clark's concern, but this is a highly responsible position. DA Foster cautioned that reducing the pay rate would significantly reduce the applicant pool. Commissioner Brown suggested asking DA Foster to come back to the next meeting because this issue was not on the agenda.

Budget workshop: DA Foster said the availability of VWA funds may be in jeopardy. Several new requirements have been established that will be difficult to comply with. Other counties have taken on this cost as part of the county budget. Discussion on the budget continued; DA Foster will return to a future meeting for continued discussion.

DA Foster said the county received a bill from State Risk Pool- a deductible for legal services for a lawsuit involving a former assistant district attorney and asked if the commission would

authorize payment. Commissioner Brown asked why risk pool did not pay this; he did not think we should pay it. Commissioner Clark said we bought a policy from risk management for liability insurance and we are required to pay a deductible. Commissioner Blasi thought we should send it back, as other counties have. Commissioner Brown wanted to have input from MCCA's risk pool.

#### Treasurer:

MOTION: to approve the August GF, Airport, and Jail Payroll Warrants #18-30, #18-31, #18-32, #18-33, and #18-34 in the aggregate amount of \$421,724.80 (Brown/Clark 3-0, motion passed)

MOTION: to approve the August GF, Airport, and Jail Expense Warrants #18-58, #18-59, #18-60, #18-61, #18-62, #18-63, and #18-64 in the aggregate amount of \$631,598.44 (Brown/Clark 3-0, motion passed)

MOTION: to approve the August UT Payroll Warrants #19-4, #19-5, #19-6, #19-7, and #19-8 in the aggregate amount of \$1,190.83 (Brown/Clark 3-0, motion passed)

MOTION: to approve the August UT Expense Warrants #19-3, and #19-4 in the aggregate of \$1,567.20 (Brown/Clark 3-0, motion passed)

MOTION: to approve 2018 August expenditures in the Health Insurance account of \$170,779.08 (Brown/Blasi 3-0, motion passed)

Treasurer Eldridge reported we've collected nearly 32% of municipal taxes at this point.

We are now prepared to pay the UT back; total amount due \$500,554.79, with interest due through September 5.

### MOTION: Pay off loan to UT in the amount of \$500,554.79 (Clark/Brown 3-0, motion passed)

Treasurer Eldridge reported that the office has worked very hard to pull items together, and according to the timeline, we should have received the audit by May 30. The auditor continues to ask for documents to be sent. Commissioner Blasi said it is difficult to engage a new auditor, and perhaps the next audit would be easier. CA Adkins expressed frustration with the lack of timeliness and customer service with the current auditor. Commissioner Brown expressed dissatisfaction with all the difficulties and suggested we put this out to bid next year.

#### Maintenance:

Facilities Director Dennis Walls gave his monthly report.

MOTION: approve the hire of Devon Zerrien of Franklin as part time janitor at \$12.50 per hour with no benefits, effective September 8, 2018, not to exceed 29 hours a week (Brown/Blasi 3-0, motion passed)

Length of service record for Assistant Facilities Director David Linnell- Director Walls explained that when Linnell was promoted to his current position in 2012, his length of service was not recognized in his step. Commissioner Clark suggested that if an adjustment to his pay occurred, it would be with his anniversary date of November 10. CA Adkins and Deputy CA Knowlton will research the circumstances and the issue will be revisited at a future meeting.

#### Break 12:37 pm-12:44 pm

#### RCC Budget workshop:

Budget- Director Conary presented his initial budget to the commission. Commissioner Clark expressed that any contract rate increases should come from the recommendation of the department head with counsel from the advisory committee. He said it seemed that the amount of work the dispatchers are now doing has increased significantly, and this has not been reflected in the cost of the contracts. There was some discussion on an equitable way to calculate an increase to contracts. Director Conary said the call volume is so high right now that it justifies another position. Commissioner Blasi was in favor of adding a dispatcher. Commissioner Brown said he was in favor of adding a dispatcher if it cut down on overtime. There was some discussion on reserve accounts and equipment / computer purchases.

The commissioners indicated that with the requested revisions, they had no issue with the new CGI videos.

Agenda items that were not addressed will be moved to a future meeting.

### Motion: to adjourn 1:34 p.m. (Blasi/Clark 3-0 motion passed)

Respectfully submitted,

Rebekah Knowlton Deputy County Administrator

### **COMMISSIONERS SPECIAL MEETING**

### Learn more about HANCOCK COUNTY by visiting www.co.hancock.me.us Audio recordings of the meeting are available upon request

The special meeting of the Hancock County Commissioners was brought to order by Commissioner Blasi 11:30 a.m. on Wednesday, September 12, 2018 in the commissioners' meeting room in the county courthouse.

The following were present: Commissioner Blasi Commissioner Clark County Administrator Adkins UT Supervisor Billings EMDC representative Josh McIntire

It was agreed that a letter with a self addressed stamped card will be sent to all property owners in Fletcher's Landing, referencing that the advisors will meet and take property owner feedback into consideration. The letter would invite discussion regarding residential, commercial, or agricultural development. It was also suggested that the commissioners could hold a public hearing. A draft letter will be discussed at the October 2 meeting. One of the concepts discussed was an experimental electricity storage facility. The possibility of a loan program was discussed, with interest as revenue for the county.

Respectfully submitted,

Antonio Blasi, Chairman

### **COMMISSIONERS SPECIAL MEETING**

### Learn more about HANCOCK COUNTY by visiting www.co.hancock.me.us Audio recordings of the meeting are available upon request

The special meeting of the Hancock County Commissioners was brought to order by Commissioner Blasi at 8:30 am on **Thursday**, **September 13**, **2018** in the conference room of the County courthouse located in Ellsworth, ME with Commissioners Brown and Clark in attendance.

#### Charles Earley- Jail Wall / Mesh Fence Completion

Charles Earley of Lewis and Malm informed the commission that a situation has come up pertaining to the chain mail, the second piece of fencing that goes on top of the fence. The existing (this was taken off from above the previous fence and salvaged) chainmail was installed on the bottom in the interest of not stalling the project. The specification from addendum #2 matched, however, the specification had a measurement of 5/8; this was an inaccurate measurement- it should have been 3/8. The 5/8 was installed and it was discovered that the fence was scalable. Commissioner Clark was interested in determining who was responsible for the error. Earley explained the process for reviewing and matching specifications. Engineer Eero Hedefine claimed responsibility for the designated specifications. There was some discussion on the responsibility of the cost to fix the error. Commissioner Clark said he thought the only solution was to remove the 5/8 and replace with 3/8. Alternatives to address the issue were discussed. Earley referenced the installation of spreading bars and recommended designing a smaller section of that to determine if the fence could be climbed with them. Options will be looked into further- installing spreading bars or removing what was installed and replacing it with appropriate materials. Earley was directed to get pricing on the two options and bring it back to the commission as soon as possible.

#### Adjustments to / approval of agenda:

MOTION: Add executive session under MRSA Title 1§405 6(E) to 8(e) to discuss a matter from our attorney (Clark/Brown 3-0, motion passed)

Public Comment: none

#### **Commission Business:**

### Sheriff:

Discussion on temporarily exceeding maximum on benefit time- Sheriff Kane said his department was having difficulty filling shifts because of short staffing. Employees are not able to use vacation time, and in several cases are meeting the maximum vacation time allowed by contract.

MOTION: Sheriff's patrol employees be paid each week for all vacation benefit time exceeding the maximum accrual up to and until December 31, 2018, all in an agreement letter with the teamsters union (Clark/Brown 3-0, motion passed)

### Budget Workshop:

MOTION: that the commissioners revise and vote on their budget for department 10 (Blasi/motion failed for lack of second

Commissioner Brown said he would like to hear what the sheriff's proposal was, and when the budget went to the BAC it would be the commissioners' budget. Commissioner Clark said in his mind there was one budget with comments from the department head, and he wanted to hear the sheriff's proposal.

### Sheriff (10)

Sheriff Kane said the only addition in revenues is line 200 School Resource Officer at \$160,000. Commissioner Blasi made the following statement: "with the series of letters and verbal statements we have received and that I have heard from people in diverse positions and occupations, including the Ellsworth Police Chief's front page interview, the overwhelming majority opposed to the idea of county government placing an armed law enforcement officer in some schools. Former prosecutor Gail Marshall's letter highlights several questions that I have not heard answered. I am voting against the revenues and expenses for the school resource officer position, or positions." Sheriff Kane questioned how many letters were received. Commissioner Brown said he was willing to listen to the budget first and to move the budget process ahead, the sheriff should present the entire budget to the commission, and the commissioners will look it over to see what changes they wanted to make. Sheriff Kane said that Gail Marshall is in full support of a school resource officer and that she was the one who helped write the MOU that is currently in place in Mount Desert Island. Sheriff Kane said she was originally opposed to it, and she worked to craft the MOU with guidance from the ACLU to put that together and she was in full support of it, and referenced a meeting they both attended. Commissioner Clark would like to see an agenda item on whether or not the commission would approve a SRO. The expenditure changes related to the SRO are in line 01-130. There was some discussion on overtime increases. Commissioner Clark wanted to flatline OT at \$67,500; Commissioners Blasi and Brown were not ready at this point. Line 10-012 Public Safety was increased to \$10,500. Commissioner Clark wanted to see a breakdown of the \$58,000 in line 20-100 Computer. There was some discussion on adding money for a future copier purchase. Chief Deputy Kane referenced that the equipment reserve account has been building for other projects. Commissioner Clark wanted to see a decrease in the 70-300 Vehicles account. Chief Deputy Kane said this figure is in line with the SRO decision.

### Town Contracts (12)

Commissioner Brown questioned whether the stipend for Swan's Island was in revenues; Sheriff Kane indicated that it is. Revenues and expenditures are balanced.

### Civil Process (13)

Sheriff Kane said this was relatively consistent with the 5-year average. He said his attempts to see an increase to fees were unsuccessful.

### Drug Task Force (46)

There was some discussion on where revenues from forfeitures go, and using that to increase line 900 reserve transfers. Commissioner Brown referenced the overtime line. Chief Deputy Kane said this was reimbursed 100%, and this is shown in the revenue side. Commissioner Clark said

he was opposed to taking all of the cost of the K9 from this department. Commissioner Brown questioned why the state doesn't pay the \$10,000 for K9 overtime.

### Approval of minutes:

### MOTION: Approve the minutes of the August 31, 2018 Commissioners' Special Meeting (Clark/Blasi 3-0, motion passed)

### **District Attorney:**

Review of the State Risk Management Policy- DA Foster said based on his review of the documents he believes the county is responsible for paying the \$1,000 deductible. Commissioner Clark said statute says that the county should pay reasonable expenses, and he thought the county should pay this and it should come out of the DA budget. Commissioner Blasi referenced that the advice from our risk pool representative was not to pay the deductible.

MOTION: authorize to pay the invoice of \$1,000 deductible bill in this matter (Blasi/Clark 1-2 Brown and Blasi opposed, motion fails

Commissioner Brown said any deductible should have been settled as part of the claim; DA Foster agreed with him.

### Treasurer:

Review of the RFP for Auditing Services-

Commissioner Brown expressed frustration that we still do not have a completed audit; it is a useful tool in crafting the budget for the coming year. CA Adkins said that he has spent a considerable amount of extra time, and was frustrated with the auditor's lack of timeliness and difficulty with working through the constant requests. Commissioner Clark questioned the time requirements in the contract / RFP; he wanted to articulate under the contract what violations have occurred, although the general consensus is dissatisfaction.

### MOTION: To hear an item from Jail Administrator Richardson that just developed (Blasi/Clark 3-0, motion passed)

### <u>Jail:</u>

Jail Administrator Richardson informed the commission that he had a request for a leave of absence without pay from a corrections officer. There was some discussion about holding the discussion in executive session; it was held in open session.

## MOTION: to grant the Jail Administrator's request for Heather Sullivan, who requested a leave of absence without pay in accordance with article 29 of the union contract (Brown/Blasi 2-1, Clark opposed)

The employee is under obligation to remain in contact with her supervisor regarding progress. In accordance with union contract, the leave of absence was granted without pay or benefits.

### RCC:

RCC Director Conary said at this point his intention was to fund both positions through the QA position; this should carry both through the end of the year.

MOTION: Request approval to hire Brandon Eugley of Hancock as full time RCC dispatcher at pay grade/step 9A \$15.98 per hour, effective September 22, 2018 (Brown/Clark 3-0, motion passed)

MOTION: Request approval to hire Madysen Robichaud of Orland as full time RCC Dispatcher at pay grade/step 9A \$15.98 per hour, effective September 22, 2018 (Brown/Clark 3-0, motion passed)

#### **County Administrator:**

Reserve Fund Addendum- the commissioners signed the document, which was approved on August 7.

Discussion: donation of sick time- the commission agreed the union should be consulted regarding this, and if there was no issue language addressing this should be included in the personnel policy. The commission will revisit the issue at the next meeting.

#### Commissioners:

Spirit of America- the commission scheduled to recognize award recipients in November.

Review of September 12 meeting with EMDC =

Commissioner Blasi reported that during the meeting it was agreed that a letter with a self addressed stamped card will be sent to all property owners in Fletcher's Landing, referencing that the advisors will meet and take property owner feedback into consideration. The letter would invite discussion regarding residential, commercial, or agricultural development. It was also suggested that the commissioners could hold a public hearing. A draft letter will be discussed at the October 2 meeting. One of the concepts discussed was a storage facility. If commercial development was declined, we could look into a loan program, interest could be revenue for the county.

### Jail Bond Expense Deferred-

The county no longer has the \$300,000 bond obligation for the jail after this year. There was some discussion on whether this would remain in the 2019 budget. Commissioner Brown referenced the extensive work needed at the jail facility, and perhaps funds should be set aside for that. The commissioners agreed that line 30-150 TAN Interest should be in Treasurer (05) and Dept. 16 should be dissolved.

Budget Workshop, continuation of previous workshop sessions-

There was some discussion on determining the COLA for 2019, and when health insurance figures would be ready.

#### Donations (17)

Commissioner Blasi said he would like to approve some funds for the Reparations Board. He suggested offering physical space in the courthouse for them to operate, but the commission agreed there was no space available at this time. There was some discussion on the applications submitted. The commission discussed flatlining dept. 17 budget at the 2018 level; various strategies were discussed. After discussion the commission agreed to add \$6,000 in funding for the Reparations Board, and fund the following: EMDC \$9,245; Special Children's Friends

\$4,000; UMaine Extension \$70,000; Soil/Water Conservation \$14,000; Next Step \$8,930; HCPC \$14,000; HC Volunteer Firefighters Assoc. \$42,900. This matched the dept. 17 budget for 2018, \$169,075.

MOTION: to enter executive session under MRSA Title 1§405 6(E) to 8(e) to review advice from our attorney (Brown/Clark 3-0, motion passed)

MOTION: to adjourn (Blasi/Clark 3-0, motion passed)

Respectfully submitted,

Rebekah Knowlton Deputy County Administrator

#### MEMO

To:Durlin Lunt, Jr., Town ManagerFrom:Tony Smith, Public Works DirectorRe:Sand Bid ResultsDate:October 2, 2018

On October 2, 2018, as scheduled, we opened bids for 2.500 cubic yards of winter sand for the winter season of 2018-19. We requested bids from RF Jordan, BCM Construction, Dugas Construction, J.W. Goodwin, Jr., and Harold MacQuinn, Inc. One contractor submitted a bid.

MacQuinn submitted a bid of \$9.00 per cubic yard. Last year's low price, also submitted by MacQuinn, was \$8.75 per cubic yard. The sample we collected at their source this year met both the visual inspection and the lab specifications. Based on this, I recommend the contract to supply us with winter sand be awarded to Harold MacQuinn, Inc. at a price of \$9.00 per cubic yard or, \$22,500 for the 2,500 cubic yards the bids were based on. This is a very good unit price for sand, particularly for the quality of material we get from them. As we have done in the past, if we can handle more than the 2,500 cubic yards in our storage area, we will purchase more from them.

Yr.	Fiscal Year	Number of Bidders <sup>1</sup>	Low Bid Price/CY <sup>2</sup>	High Bid Price/CY
1	FY-07	4	8.49	9.25
2	FY-08	4	8.55	9.25
3	FY-09	3	7.00	8.70
4	FY-10	3	6.44	8.55
5	FY-11	2	6.84	7.00
6	FY-12	2	6.80	8.50
7	FY-13	3	7.70	8.80
8	FY-14	2	7.44	9.00
9	FY-15	1	8.44	NA
10	FY-16	2	7.90	10.00
1E	FY-17	2	9.20	11.00
12	FY-18	1	8.70	NA
13	FY-19 (current year)	1	9.00	NA

Over the previous 12 years, we have had the following unit pricing for our sand:

Responsive Bidders: <sup>2</sup>CY = cubic yards

Thank you.

Cc. Ben Jacobs, Highway Supt.

#### <u>MEMO</u>

To: Board of Selectmen and Durlin Lunt, Town Manager From: John Lemoine, Harbormaster Ref: Bartlett Mooring Realignment

The Harbor Committee at their September meeting made a recommendation to use Chalmers Enterprises for the mooring work for the realignment at Bartlett Landing. Chalmers will bill us for the work and we will bill the individual mooring owners. I am requesting authorization from the Board of Selectmen to approve the Harbor Committees recommendation.

I thank you in advance for your consideration of this request and will be available for any questions the Board of Selectmen may have.

Thank you,

John Lemoine Harbormäster

### MEMO

To: Board of Selectmen and Town ManagerFrom: John LeMoine HarbormasterRe: Summer ratesDate: October 10, 2018

The Harbor committee reviewed the summer rates for the marina at their October 9, 2018 meeting. The following are unanimous recommendations from the Harbor Committee for the Board of Selectmen to approve the changes.

- 1. Transient/Seasonal summer dockage rates:
  - Currently the marina charges Transient/Seasonal vessels \$2.85/ft for vessels <49', \$3.35/ft for vessels 50'<60', and \$3.85/ft for vessels >60'.

The Harbor Committee recommends adjusting the rate for vessels <49' to \$2.95/ft, the rate for vessels 50'<60' to \$3.45/ft and the ratefor vessels 60 and over to \$3.95.

- 2. Seasonal Outboard float rate.
  - Currently the marina charges \$800.00 for seasonal Outboard float tie up.

The Harbor Committee recommends adjusting the rate to \$1,000.00.

Thank you for your consideration I will be available for questions.

Thank you John LeMoine Harbormaster

### Memo

To: Durlin Lunt, Town Manager From: Mike Bender, Fire Chief CC: Date: October 11, 2018 Re: Approve the sale of fire pagers

I would like to request for approval and authorization to sell four (4) Motorola Minitor V two-tone voice pager with chargers to Eastbrook Fire Department in the amount of \$150.00 each. Over the past 3 years we have gradually replace all our fire pagers to the current Minitor VI models. The newer model has enabled us to utilize the new federally licensed "MDI Fire" frequency which will offer a wider coverage area than our existing fire frequency with clearer communications. The older models cannot be programmed to the higher federal frequency range.

Motion - Motion to approve and authorize the sale of four (4) Motorola Minitor V two-tone voice pager with chargers to Eastbrook Fire Department in the amount of \$600.00

Thank you.

Good afternoon!

Attached is Accounts Payable Warrant # 1920 (for Payroll and/or State Fees) in the amount of \$4,575.38 for your approval.

Please indicate your authorization to release the funds for this warrant by approving or rejecting.

I will "reply to all" when the first approval comes in so that you know that we have the one required email approval.

Thank you!
