**!!!If in doubt, please bring it and ask!!!**

**Mount Desert Island Regional Collection for HHW&UW**  
**(Household Hazardous Waste & Universal Waste)**

Registration/Identification Form: Please bring this to the collection

**MDI High School REAR Parking Lot**  
**Route 233/Eagle Lake Road**

**September 24, 2022: 10:00 AM–2:00 PM for MDI and all other Towns**

**Town:** \_\_\_\_\_ **Name:** \_\_\_\_\_

- **Please put your vehicle in line and always stay in your vehicle.**
- **Trained employees of the waste collection companies will unload materials for you.**
- **Be prepared to provide proof of town in which you reside.**
- **When possible, materials should be in original containers and sealed with labels still attached. Otherwise, close securely and clearly mark with name of contents.**
- **Transport the materials to the site in, for example, a cardboard box (we will recycle the cardboard if you do not want it).**
- ***If in doubt about a material, bring it and ask if we can accept it!!***

This registration form entitles a resident from the Towns of: Cranberry Isles, Frenchboro, Lamoine, Mount Desert, Southwest Harbor, Tremont, Trenton, and Swans Island to bring reasonable, household-type amounts of household hazardous waste (HHW) and/or universal waste (UW) to the collection **at no charge**.

The same applies for Bar Harbor residents **EXCEPT** Bar Harbor residents **are not** allowed to dispose of UW – they are directed to their own UW site at the Bar Harbor recycling center. We will accept materials from towns not listed above for a fee; the fee will not be known until the day of the collection.

Representatives of the ADD and their vendors reserve the right to determine what a reasonable amount is. ADD and its vendors reserve the right to refuse material at their discretion.

Any Questions? Call your town office for the name of your ADD director. Volunteers are needed and appreciated. Please contact ADD Chairman Tony Smith at 276-5743 to volunteer. Thank you.

**!!NEVER MIX CHEMICALS!!**

| <b><u>Materials classified as HHW include:</u></b> | <b><u>Materials classified as UW include:</u></b> |
|--|---|
| Oil based paint/ No latex                          | Rechargeable & button batteries                   |
| Turpentine/ Varnish/ Stains                        | Fever and cooking thermometers                    |
| Transmission and brake fluids                      | Some gas appliances                               |
| Paint remover/ strippers/ thinners                 | PCB ballasts                                      |
| Pool and photo chemicals                           | Weather barometers                                |
| Used antifreeze/ driveway sealer                   | Blood pressure cuffs                              |
| Adhesives/ solvents/ fertilizer                    | TV's  |
| Oven and drain cleaner                             | Computer monitors/ CPU's (the                     |
