Town of Mount Desert
Investment Policy

PURPOSE
Maine state statutes authorize Treasurers to deposit or invest municipal funds by direction of the municipal officers.

Pursuant to 30-A MRSA 5706-5717; the municipality of Town of Mount Desert, Maine shall adopt the following investment objectives in the management and investment of municipal funds:

The primary objective of the municipality's investment activities is the preservation of capital and the protection of investment principal.

In investing public funds, the municipality will strive to maximize the return on the portfolio but will avoid assuming unreasonable investment risk.

The municipality's investment portfolio will remain sufficiently liquid to enable the municipality to meet operating requirements which might be reasonably anticipated.

The municipality will diversify its investments to avoid incurring unreasonable and avoidable risks regarding specific security types or individual financial institutions.

The municipal Treasurer shall invest funds for which there is no immediate need, consistent with 30-A MRSA 5706-5717, sell and exchange securities so purchased, and deposit such securities for safekeeping. All investment decisions shall be made considering the investment objectives contained herein and exercising judgment and care under the circumstances then prevailing.

The Treasurer may utilize Trust Department services of approved banks.

BACKGROUND
In addition to short term investment of operational funds, the Town as put aside for investment certain funds accumulated over time for which there is not an immediate need. It is there funds which will generally be invested through the Trust companies.

Although these monies are not to be considered as permanent endowment, it is not contemplated that they will be expended in the immediate future. They should be regarded as reserve funds, and it is the desire of the Selectmen to develop investment guidelines to be followed by the fund managers in selecting securities for investment.

Broadly speaking, the funds are to be divided into two parts. One part, representing about one-third or at least ($500,000) of the total, is to be considered a relatively short term reserve to be available on short notice for use by the Town.

A separate trust may be used, if the Treasurer deems it advantageous, for the one-third short term reserve.
SPECIFIC GUIDELINES FOR THE TRUST COMPANIES:
The managers of the funds are directed to invest both the long term and the short term reserves so that, at a minimum, the total return of the funds shall at least equal the rate of inflation over a five year time span as measured by the GNP price deflator.

SHORT TERM RESERVE
The short term reserve shall be invested in certificates of deposit, money market funds, U.S. Treasury obligations, U.S. Government agency obligations, and corporate debt instruments with at least an A rating.

No security shall carry a maturity of more than five year, and the average maturity of all assets in the short term reserve shall be no longer than three years.

The securities of anyone issuer shall not constitute more than 5% of the short term reserve. Obligations of the U.S. Treasury, or Government agencies, guaranteed by the U.S. Government, shall not be subject to this restriction.

The current yield on the short term reserve fund as a whole shall at least equal the U.S. Treasury one year bill rate.

LONGER TERM RESERVE
The fund manager shall invest the assets of this portion of the fund similarly to those securities listed in the SHORT TERM RESERVE guidelines above, but without limitation as to maturity on fixed income instruments.

In addition, equities, and convertible debt securities may be bought, subject to the limitation that the percentage of common stocks and convertible securities should not exceed 65%, as measured by market value.

Investments will also be subject to the limitation that the securities of anyone issuer shall not exceed 5% of the total fund, except for obligations of the U.S. Treasury and Government agency bonds as defined above.

PERFORMANCE:
The total return of the long term reserve should be compared to standard investment indices, such as the Standard & Poor's average of 500 stocks and an index of fixed income securities, such as the Solomon Brothers Bond Index.

The performance figures should be prepared semi-annually, on the first and third quarters, and will be compared over a three to five year time span. Reports from the trusts should be utilizing an investment basis format rather than a trust format.

REPORTING
The Treasurer shall report quarterly to the Board of Selectmen for the purpose of monitoring the performance and structure of the municipal investments.
In addition, the Treasurer shall issue an annual investment report due no later than 30 days after the end of the fiscal year. The report shall include an evaluation of the performance of the investment program for the previous year.

**REVIEW**

It shall be the duty of the Investment Committee, as appointed by the Board of Selectmen, to review the reports of the Treasurer and the Trusts.

The committee shall be composed of: - the Chairman of the Board of Selectmen; the Chairman of the Warrant Committee; the Chairman of the Warrant Finance Subcommittee; the Town Treasurer; and three citizens of the Town.

Said committee will meet semi-annually for this purpose, following the first and third quarters. The Committee may make recommendations to the Board of Selectmen for redistribution of the funds, withdrawal or adjustment of Trust balances and reinvestment, withdrawal or application to reduce taxes of any interest earnings on the investments.

It is the express intention of the Board of Selectmen to protect future value of the funds, and therefore, it shall be the policy of the Board of Selectmen to disregard any realized or unrealized capital gain in the fund when considering earnings available for withdrawal.

**CODE OF ETHICS**

All municipal personnel involved in the investment program shall adhere to the municipality's code of ethics to prevent any real or perceived violation of their fiduciary responsibilities. Such responsibility carries with it the duty to ensure that all investments are placed without the appearance of any improper influence or personal gain.
